Successful year

Last year we were awarded the Investing in children award. School council purchased kitchen tools for the 7C's room, were successful in Ashley Hill hoodies and fleeces being added to the outer-school wear for trips, sporting events and lunch times. Throughout the year we also raised money for school and Rebecca House. The library is still work in progress but we hope to complete it this school year.

Children in need - Friday 17th November

We will be selling glow in the dark bands and keyrings for £1 each. We will also invite everyone to dress spotty on the day for any donations towards the cause.

Suggestion box

School council would welcome suggestions from parents (as well as children) on how we could improve the school. The box is located on our school council board in the main hall which will also have information updated regularly.

Our webpage

This will hopefully be up and running in the coming month.

Fresh fruit Friday

We are hoping to arrange a 'Fresh fruit Friday' and will be looking for parent helpers to sell and prepare the fruit. We would also welcome any suggestions on how we could run this weekly event.

We look forward to working together to improve our school even further throughout this school year.
