

Phonics

At about this time of year we would normally send out the next set of sounds and tricky words for your child to learn. They are Phase 4 of Letters and Sounds.

If your child is confident with the Phase 2 and 3 cards we sent out earlier in the year, please encourage them to recognise the tricky words listed below. Once they can read them any children who are ready can then move on to trying to write them. If your child isn't ready, please don't worry.

Here are some links to videos/songs/games where your child can practice phonics without needing to print...
