Dear Parents and Carers,

If you or your child/children need to self isolate, attached are some suggestions for supporting your child's learning.

Mathematics

The school uses materials from White Rose Maths Mastery. The link below will take you to schemes of learning, which will give you examples of problems for your child's year group.

<https://whiterosemaths.com/resources/schemes-of-learning/primary-sols/>

Year 2 are currently working on data handling,(statistics) and shape.

Literacy

Instruction writing - try following a recipe or a making project. Can you write instructions of how you did it. (See success criteria attached).

Reading

As much as possible, encourage your child to read a variety of different genres and read together each night - discuss the plot, story, characters, events etc.

Handwriting- Cursive joined handwriting, improve your child's presentation and fluency. Many sheets available online. Colouring to strengthen muscles.

Phonics/Keywords Practice Phase 3 to 5 Tricky words and the first 100 and 200 high frequency words. These can be accessed alongside games on the link below:

<http://www.letters-and-sounds.com>

Science

Growing and planting. Keeping Healthy. Food groups. Fork to farm.

Topic/Homework challenges- Food and Farming. How is our food grown, where does it come from- (challenges attached).

Extras

There are endless amounts of games, activities etc online to support your child's learning.

Twinkl is offering a free month's access for parents and carers.

Setting this up is really easy to do - go to [www.twinkl.co.uk/offer](https://www.twinkl.co.uk/offer) and enter the code UKTWINKLHELPS

Remember craft activities,( including Easter) and painting. Playing card games and board games are also great for extending children's knowledge and skills.
