

Home Learning Challenges

Art

Create a picture of your favourite rainforest animal or scene, using any format you choose, or work in the style of an artist that has produced work based on the rainforest.

Big Ideas!

Talk to your family members about environmental problems such as clearance of rainforests and endangerment of animal species.

How are we affected by such issues?
What solutions could we come up with?
What are 'global issues'?

**** Maths-COMPULSORY! ****
**** Keep up with all your mental maths practise. Revise number bonds for all numbers t. ****

Optional

Find out some facts and figures about rainforests - look at percentages of the forests that have disappeared.
Create fraction statements about your family e.g. if 3 out of four family members have blonde hair write it as $\frac{3}{4}$ in your fact.

Remember to put your name on EVERYTHING!

Rainforests

Our Island, Our World

YOU HAVE TO DO THE CHALLENGES MARKED ** **

Music & Mindfulness!

With your parent's permission to go on Youtube, listen to sounds of the rainforest - which piece do you enjoy most and why?
Does it relax you?

<https://www.youtube.com/watch?v=8myYyMg1fFE>

Year 3 Summer 1

Design Technology/Creative

Create a diorama of a layer of the rainforest. You will need a small box for this task - a shoe box is ideal! Create some plants and animals to place in your scene - add some labels to name the different layers. names of animals etc.

Literacy

Write a fact file or information piece about an animal or plant that interests you from the rainforest. Add a colourful sketch.

** Reading - COMPULSORY! **

****Keep reading every day.****

Ask your parent to sign and date your parish read card & reading record for you.

We are seeing a real improvement in reading skills - please keep this up!
Read information texts about the rainforest.
