

## Mindmap

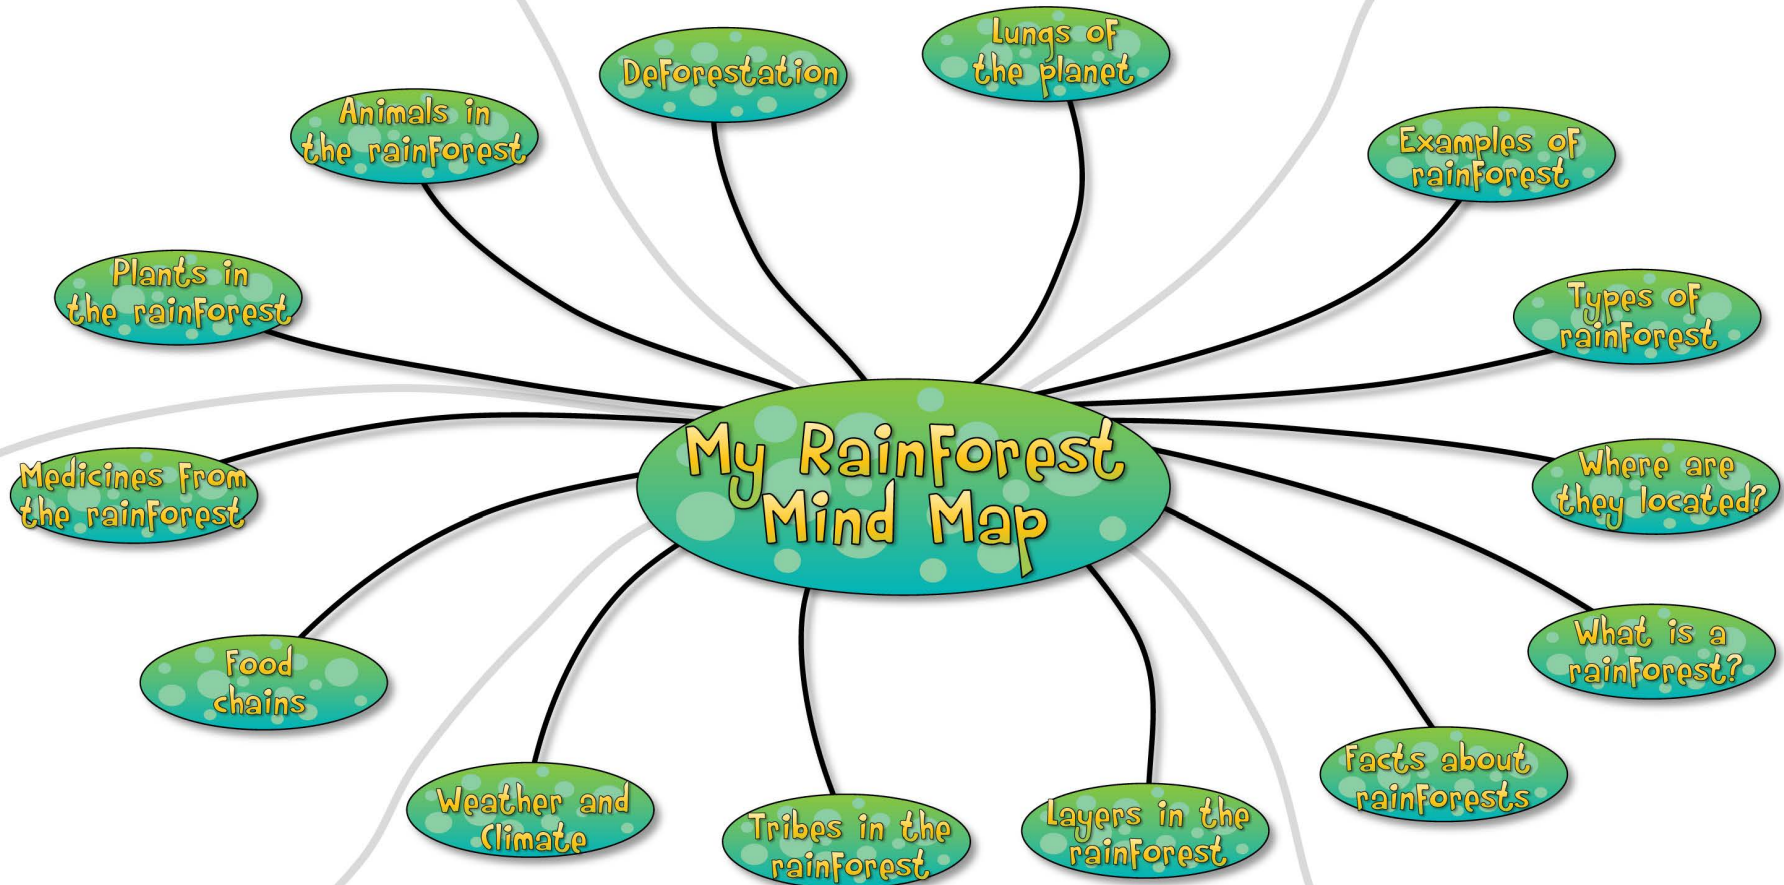

We start each topic with a mind map of what we know. Draw a mind map (or print the one on the next page and add to it) of what you know about the Rainforest - use one colour.

As you learn new facts, add them to your mind map in a new colour.

Wildlife

Environment

Facts and knowledge

Science

**Your tasks:**

- Add information about rainforests to your mind map that you know already.

Geography
