

Year 3

Week 3

By this week, children should have become familiar with the Fluent in Five challenge and therefore be increasing their speed.

This week:

- Multiplication facts for the 4 times table are tested..
- Mental addition focuses on adding 3 single digit numbers (encourage children to look for known facts or bonds within the calculation).
- Written division is tested for the first time in Year 3, but this is at a level that should be familiar from KS1.
