

## Animal Art Activities

Here are some ideas for doing some animal artwork. Choose one to do or try them all over the next few weeks - it's up to you.

### Four Views Animal Art

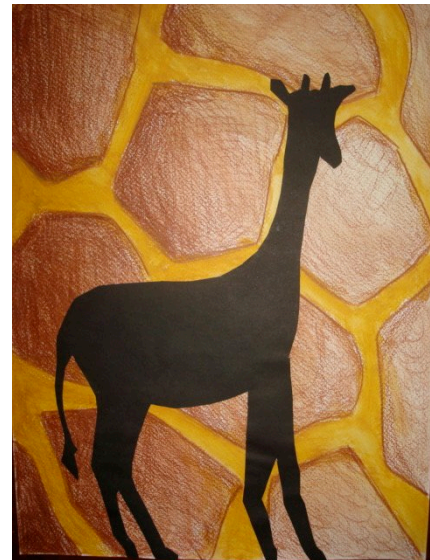

Split your paper into four sections, choose your an animal to focus on. Draw a different part of your chosen animal in each section.

### Animal Silhouettes and Patterns

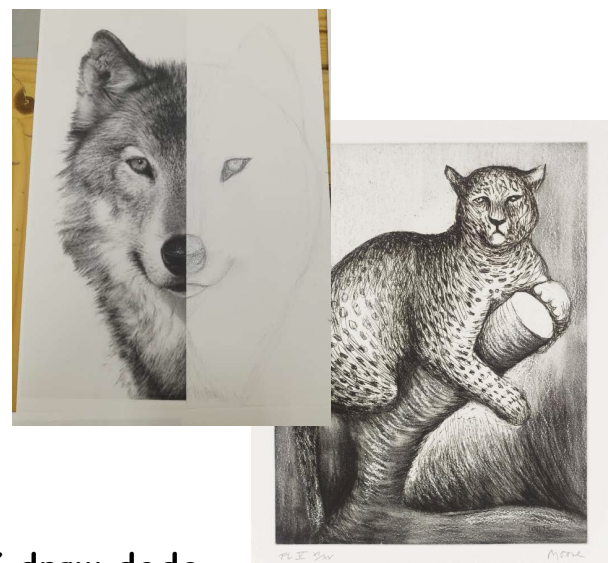

Find the details on how to do this activity here:

### Animal Pencil Sketches

Use the Sketching Techniques on the practise sheet to sketch an endangered animal or if you can get an animal picture, cut it in half and sketch the missing half to make it whole again.
