

# Kandinsky Art

Your task is to create a piece of Kandinsky style art work like this.

However, we are going to use **music** to help us.

First divide a piece of A4 paper in to equal sections, you can do 6, 8 or 12 (the more squares the longer the activity is likely to take).

Now for the music - For each section listen to a piece of music. Choose colours to match how the music makes you feel. Fill a section with rings/circles of the colours you chose.

Repeat until you have filled all the sections.

Try to choose a variety of different types of music. Here are some suggestions:

Greatest Day - Take That, Roar - Katy Perry, Barbie Girl  
Phantom of the Opera, You've got a friend in me,  
Fix You - Coldplay, Happy - Pharrell Williams.
