Record news interviews

Have fun recording yourself asking and answering questions. Use different sounds and voices, becoming an alien giving the weather in outer space or a squirrel covering nut collections outdoors.

Get started: Use the Audio Recorder in the GarageBand app.

Use your voice

Use Voice Memos to create an audio message to share a funny joke with a friend, send an invitation for a virtual play date, or just say hi!

Get started: Record a message in the Voice Memos app, then share it using Messages or Mail.

Knock, knock...
