

## Earsearch

- \* I can recognise that vibrations from sounds travel through a medium to the ear.
- \* Summarise the main points of a text.

Using the internet, research how the ear works. Here are some questions that might prompt your research;

What is an ear drum? Can you see all of your ear? How is your ear connected to your brain? How can we hear noise?

Create a fact sheet all about the ear. This could include:

- A label diagram of the ear
- A description of how the ear works
- Interesting facts about the ear.
