

Writing Activities Year 5 Summer 2.

Hello 5A and 5F, you've all had a go at the genres of writing on this sheet, try some of these, and see how much you can remember! Try to think of the the different layout and words you need to use for each activity. Looking forward to seeing what you come up with!

1. Who was Boudicca? Find out what you can about her, and write some notes. Can you find any pictures of her? What sort of a person do you think she would be? Use your findings and imagination to write a character description of Boudicca.

2. Write a set of instructions on how to be a Roman Soldier. To do this, you must research what is required. You could include things like: What to wear, what weapons to use, how to defend yourself, and what to eat. Remember to set your instructions out correctly, using time words, imperative verbs, bullet points, etc

3. Produce a factual poster about Gladiators. What different types were there? What exactly did they do? What sort of life did they lead?

4. Write a fact file about everyday life in Ancient Rome.
