**Homework/
Big questions project**

Be selective with information

*Remember to record information in your own words that is purposeful in answering your questions

Be reflective and thoughtful

*Use your learning powers and explore how you used them throughout your SOLE project.

Be creative with presentation

*Think about how you are going to present your findings.

Similarities and differences

- *What patterns do you spot?
- *Is there anything similar or different?

Choose your direction

*You can direct your learning in any direction you choose to do with the big questions

This half term's homework is project based to develop curiosity about culture around the world linked with our topic Globetrotters.
