Dear Parents and Carers,

If you or your child/children need to self isolate, attached are some suggestions for supporting your child's learning.

Mathematics

The school uses materials from White Rose Maths Mastery. The link below will take you to schemes of learning, which will give you examples of problems for your child's year group.

<https://whiterosemaths.com/resources/schemes-of-learning/primary-sols/>

Year 6 are currently working on division and statistics.

Literacy

Narrative/Story writing- Quest Stories. Encourage your child to write a story/ stories.

Reading

As much as possible, encourage your child to read a variety of different genres and discuss themes, characterisation, plot etc.

Science

Micro-organisms.

Topic/Homework Challenges- Globetrotters
(Please find attached)

Extras

There are endless amounts of games, activities etc online to support your child's learning.

Twinkl is offering a free month's access for parents and carers.

Setting this up is really easy to do - go to www.twinkl.co.uk/offer and enter the code UKTWINKLHELPS

Remember craft activities(including Easter activities), and painting. Playing card games and board games are also great for extending children's knowledge and skills.
